Dear Richard

RE: Various projects West Sussex Schools 2016/7

Just a quick note to give some feedback on the recent projects we have completed i.e.

1. The Weald School
2. Windmills School
3. East Wittering
4. West Green Primary School
5. Waterfield School
6. Oathall CC
7. Camelsdale School

Our KPI scores from the local Authority have been very impressive. This is partly down to the performance of Richard Soan Roofing. Your reliability, flexibility and co-operation on working in live schools has proved beneficial to all the project team.

Clearly this performance will benefit us with potential repeat business from this particular client & we have many potential project in the pipeline.

We look forward to working with you on the next phase of projects in the coming months.

Yours sincerely
